| Sarita Sharda | <u>Sarita</u> |
| R.D. Sharma | <u>R.D.</u> |
| | |
| Ramesh Chandra | <u>Ramesh</u> |

In the meeting the issue related to the admission to hostel ~~was discussed~~ to the failed students in more than one subjects. ~~It was decided~~ students gave their representation to the Principal to reconsider this issue. Students are demanding to relax the condition of failed in ^{more than} one subject.

It was also decided that the number of seats in 1st year of all programmes (BA, BSc, BCom) can/may be increased by 20% if the need arises. This will be done on the express discretion of the Principal and Advisory depending on availability of faculty and rooms.

It was decided in the meeting regarding the increase of seats in different subject on the demands of the students, that at this stage the number of seats can not be increased. It should be increased at the beginning of the admission.

The committee also considers a representation of a student. Tabbu, seeking admission B.Sc I (Medical). ~~It was dec~~ This is a representation related to the same cut-off percentage, of 78.2% in Medical B.Sc I). The committee considered her case on merit basis.

The committee is of the view that the admission may be granted to her as she has been denied the admission on the basis of age criterion. The committee is of the view that the admission may be given that in B.Sc. Medical 1st year some students did not deposited their fee ~~for~~ in the successive semester/year. In that case, this may be consider as a special case.

Choice Based Credit System (CBCS)

List of Undergraduate Programmes to be covered under CBCS as per the U.G.C. Template.

BACHELOR COURSES UNDER CBCS:

1. B. Sc. Life Sciences: (Botany, Zoology and Chemistry/Geology.)
2. B. Sc. Physical Sciences: (Physics, Mathematics and Chemistry/ Geology/Computer Science.)
3. B.A.
4. B.Com
5. B. Voc

Outline of Choice Based Credit System:

1. **Core Course:** 4 Discipline Specific Core Courses (DSC) (2 per subject) and 2 Courses of English and Hindi/Sanskrit in B.A./B.Com). The papers under this category are going to be taught uniformly across all universities with 30% deviation proposed in the draft. The purpose

of fixing core papers is to ensure that all the institutions follow a minimum common curriculum so that each institution/university adheres to common minimum standard. Also the course designed for papers under this category aims to cover the basics that a student is expected to imbibe in that particular discipline. A course, which should compulsorily be studied by a candidate as a core requirement is termed as a Core course.

2. **Elective Course:** Generally a course which can be chosen from a pool of courses and which may be very specific or specialized or advanced or supportive to the discipline/ subject of study or which provides an extended scope or which enables an exposure to some other discipline/subject/domain or nurtures the candidate's proficiency/skill is called an Elective Course.

2.1 **Discipline Specific Elective (DSE) Course:** (2 each for regular courses): Elective courses offered under the main discipline/subject of study are referred to as Discipline Specific Elective. The list provided under this category are suggestive in nature and each University has complete freedom to suggest their own papers under this category based on their expertise, specialization, requirements, scope and need. The University/Institute may also offer discipline related Elective courses of interdisciplinary nature (to be offered by main discipline/subject of study).

2.2 **Generic Elective (GE) Course:** (2 each for B.A. /B.Com. regular courses): An elective course chosen from an unrelated discipline/subject, with an intention to seek exposure beyond discipline/s of choice is called a Generic Elective. The purpose of this category of papers is to offer the students the option to explore disciplines of interest beyond the choices they make in Core and Discipline Specific Elective papers. The list provided under this category are suggestive in nature and each University has complete freedom to suggest their own papers under this category based on their expertise, specialization, requirements, scope and need.

P.S.: A core course offered in a discipline/subject may be treated as an elective by other discipline/subject and vice versa and such electives may also be referred to as Generic Elective.

3. **Ability Enhancement Courses (AEC):** The Ability Enhancement (AE) Courses may be of two kinds: Ability Enhancement Compulsory Courses (AECC) and Skill Enhancement Courses (SEC). "AECC" courses are the courses based upon the content that leads to Knowledge enhancement; i. Environmental Science and ii. English/Hindi/MIL Communication. These are mandatory for all disciplines. SEC courses are value-based and/or skill-based and are aimed at providing hands-on-training, competencies, skills, etc.

3.1 Ability Enhancement Compulsory Courses (AECC): Environmental Science, English Communication/Hindi Communication/MIL Communication.

3.2 Skill Enhancement Courses (SEC): (4 for regular courses): These courses may be chosen from a pool of courses designed to provide value-based and/or skill-based knowledge and should contain both theory and lab/hands-on/training/field work. The main purpose of these courses is to provide students life-skills in hands-on mode so as to increase their employability. The list provided under this category are suggestive in nature and each University has complete freedom to suggest their own papers under this category based on their expertise, specialization, requirements, scope and need.
