NSS FIELD WORK

Three donation drives were started by the NSS unit of GC Sanjauli;

- The cloth donation drive
- The Sanitary napkin donation drive
- The Blood donation drive

These donation drives were started with the aim to encourage the volunteers to step forward and help the needy. Over 80 donors participated in the blood donation camp while strictly following the Covid-19 guidelines.

In the afternoon session, Mr. Sudhanshu Singh Thakur made the volunteers understand the aim and purpose of teaching drill. Emphasis was laid on correct marching and saluting.

Plastic pollution is growing relentlessly as waste management and recycling fall short. Reducing plastic requires action, and keeping this in mind the NSS Volunteers were assigned the task of collecting plastic waste from nearby areas and making Eco bricks: A safe way to end non-recyclable plastic. This activity was conducted with the aim to create awareness among NSS participants about the importance of waste segregation and make them socially responsible and be more proactive in tackling environmental concerns.

A Cleanliness Drive was conducted by NSS volunteers in the college. The volunteers collected garbage from every nook and corner of the college. In the afternoon session, Mr. Sudhanshu Singh Thakur, senior volunteer and journalist, shared his experiences in NSS with the volunteers.
