AQAR 2012-13

GOVERNMENT COLLEGE SHIMLA-171006

Saturday

Submitted to: capuagar@gmail.com

Submitted by: Dr.C.B. Mehta

AN INTRODUCTION

Aaroh Tamso Jyoti —May we rise from darkness to light, from ignorance to knowledge – the motto of the college, compels one to halt at its portals and ruminate on the value-oriented education being imparted by this premier institution of Shimla. The College enjoys the distinct position of not only being the first Degree College to have been set up in Shimla in 1969, but also the first college to have been conferred with the status of Centre of Excellence in 2006. Its ideal locale with lush green cedars and oaks add to the ambience required for chiselling the personality of youngsters who are yet to carve a niche for themselves in the competitive world. Situated at a distance of about 2kms from The Ridge, it is easily accessible from Sanjauli, Lakkar Bazaar and Circular Road.

The institute takes pride in its rich history and heritage. The imposing Structure of the main building, currently housing Administrative Block and Computer Laboratories reminds one of the days of Yore, when the jungle of concrete buildings had not defaced the Queen of Hills. The College was

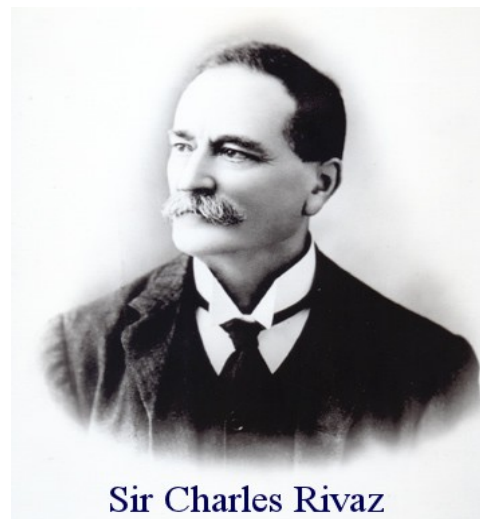

Harriet Christina Tytler

constructed way back in April 1869 by **Harriet Christina Tytler** as an institution for industrial orphanage under name of Himalayan Christina Orphanage and named as North Stoneham. Later in 1872, the same institution was reconstituted as the Mayo Industrial School for female orphans and order girls of European extraction. However, later it was rebuilt at a grand cost of Rs. 73545/- and was opened for use on March 1, 1905 during the Lieutenant-Governorship of **Sir Charles**

Rivoz, K.C.S.I., and the Episcopate of the Reverend George Alfred Lefroy, D.D., the third Bishop of Lahore. The Structure was designed by the Architect A. Gaddock Esq. and built by the builder, Messrs. Rivertt and Sons. After independence, this institution was converted into a B.Ed/B.T. College for girls affiliated to Punjab University, till it attained its present position.

The college made its entry into the sphere of education in the year 1969 by offering Arts and Science courses at under graduate level. From those basic beginnings it broadened Commerce (2006) and BCA (2006) courses. The year 2006 was a landmark in our college history... when the then C.M. Mr. Virbhadr Singh, a man with great wisdom and vision granted it a special status by elevating it as “Centre of Excellence”, with a view to create a model institution in the state for catering quality education to the students. More than forty four years have passed and it has carried a niche for itself as an institution that every year churns out young men and women of character and academic excellence. Since then

Sir Charles Rivaz

our aim is to remain at the forefront of teaching and learning. In the coming years we aim to follow approaches and actions especially suited to meet the challenges that we all may face.

GENESIS OF PERSPECTIVE PLAN

Himachal Pradesh is the first state in northern India to introduce and implement **Choice Based Credit System (CBCS)** under **Rashtriya Uchchatar Siksha Abhiyan (RUSA)** from session 2013-14. In view of implementation of RUSA Principal Dr. J.S.Negi underlined the need for preparing the *perspective plan* for qualitative improvement in college education with strengthening of the infrastructural facilities. Dr.J.S.Negi who heads the college, took an initiative and constituted a team (named **Perspective Plan Committee**) for conceptualization of the vision document i.e. '*Perspective Plan*' He encouraged the staff of the institution to prepare a consolidated document containing a road map of vision plan for the years to come.

NOMENCLATURE AND CONSTITUTION OF COMMITTEE

The vision document was named as "*Perspective Plan in view of RUSA*". Dr. J.S.Negi is the patron and Dr.C.B.Mehta is the convenor. The other team members are Dr. B.K.Shivram, Dr.Sanghamitra Burathoki, Dr.Ravinder Chauhan, Dr. Kewal Krishan, Dr. Sandeep Chauhan, Dr. Satish Kumar, Sh.Surender Chauhan and Sh. Devesh Bhardwaj.

OBJECTIVES/GOALS

After a series of brain storming sessions and due deliberations on strength, weaknesses, opportunities and threats of the institution, it was decided that the perspective plan document will stick to the following five objectives/goals.

- Academic Excellence
- Facilitation of Infrastructural facilities
- Human Resource Development
- Social Responsibility
- Resource Generation

While drawing these goals the major thrust was on fostering new teaching techniques among students to nurture their talent. Everyone was of the view that the perspective plan document/ vision document must provide a frame work to pursue towards these goals. Hence each goal was supported with certain targets, strategies and actions. Each goal is accompanied with a strategic plan which will be implemented in a marked time-frame work.

Layout of Perspective Plan Document: The document has been divided into two sections. **First section** gives the historical profile of the college covering its salient features, infrastructure and learning resource. **Second section** is oriented towards five targeted goals which the institution plans to pursue in marked time framework,

INSTITUTIONAL PLAN TEMPLATE

1. MISSION OF OUR INSTITUTION: -

Academic truthfulness

- Prepare students with a positive attitude and train them to be honest in their dealings.
- Offer academic liberty, allowing its faculty members and students to involve in critical inquiry and exchange of ideas without any fear, favour or hesitation.

Social responsibility

- Connect and contribute through its academics, research, extension and collaborations to find ways to meet the challenges which the mankind is facing in the present century.
- Make students realize the concept of unity in diversity, a distinctive feature of Indian culture which has enabled civilizations to remain integrated in terms of social, cultural and spiritual aspects.
- Encourage and facilitate the transfer of knowledge and technology into solutions to improve the quality of life of people by addressing issues of common concern.

Humanistic and people-centred

- Impart a humanistic attitude and spirit of service.
- Create an inclusive ambience, open to all irrespective of caste, creed and gender to remove the barriers in higher education.
- Motivate students in realizing their potential through creative spaces.
- Engage professionally qualified academicians to cultivate values among students.
- Aspire for a friendly environment for the persons with different abilities

2. VISION OF OUR INSTITUTION

For achieving excellence in the College we will:

- Initiate a need-based curriculum to infuse best skills among students;
- Ensure that all students have a high quality personalized learning experience and regular personal contact with teaching faculty;
- Pursue impartial and transparent admission procedure to identify and select the best students;
- Initiate e-learning/off campus learning programmes;
- Improve the quality and range of Student Support Services;
- Introduce Smart classes/ interactive classes
- Enhance & strengthen courses on Information Technology
- The College will focus on curriculum development and assessment across all its academic programmes with an aim of equipping all its students with best of knowledge and skills. This purposeful approach is required to ensure that all the students leave the College with, positive thoughts, conceptual reasoning and logical skills;
- Preparation for professional and vocational work;
- It will strive hard to promote inter-disciplinary/multi-disciplinary research, industry oriented research.
- College will explore and widen the range of research funding sources, with emphasis on both national and international funding.
- College will rejuvenate the existing infrastructure and create new facilities in terms of additional block, library block, residential houses, hostels, guest houses with conference rooms, recreation and sports centres. We will request Govt. to allot additional land for the construction of residential houses, girl's hostel, guest house with conference rooms, recreation and sports centres.
- Flower cultivation will be done to beautify the campus.
- Green House will be established in the near future.
- Computerized cataloguing of books available in the library, setting up of radio-frequency detection setup in library to stop pilferage of books, software development for initiating online admission will be undertaken on priority basis.
- Internet access will be increased in library building for access to on-line journals and digital books.
- Computerization of all academic and administrative blocks with Wi-Fi/Net Connectivity.
- All hostels will be provided with internet connectivity.

- Renovations of the existing inter and intra-net connectivity will be done.
- The college will promote training and skill development activities for all teaching and non-teaching staff enabling them to develop their skills and abilities in rendering their present duties and ensure safe and effective work in future.
- It will encourage staff and students to express their views on issues of public interest without any fear, it will harness expertise of academic community in promoting a dialogue with all its stakeholders, policy-makers, etc. to access their attitudes and perceptive.
- Starting special programmes for ST/SC and other weaker sections of society.
- Provide a platform for every student to present, converse and clarify their views and outlook about ethics and their applicability.
- Encourage. Co-Curricular activities to provide students a practical orientation and help them in developing a holistic and all inclusive approach encourage students to participate in community service to make them realize their commitment and duty towards their society.

3. OBJECTIVES/GOALS: Strategies and actions

I. Academic Excellence: Strategies and Actions

The college will;

- produce high quality scholars for better employability;
- infuse best skills among students;
- pursue impartial and transparent admission procedure to identify and select best students;
- initiate e-learning programs;
- introduce smart classes/interactive classes;
- reward merit, novelty and inventions in teaching and learning;
- adopt innovations in the classroom teaching and request process of education under cbcs;
- initiate to introduce new courses e.g. masters in software system, MCA, MBA, PGDCA etc; under self finance scheme;

Actions:

While striving to achieve its goals, the college will make improvement in:

- ✓ training of faculty for effective teaching;;
- ✓ inter-disciplinary courses by introducing inter departmental choice based courses;
- ✓ enhancing the status of 'centre of excellence' student's satisfaction with regard to the delivery of learning resources and student support services;
- ✓ strengthening the academic association, to foster linkage with academic world;

II. Facilitation of Infrastructural facilities: Strategies and Actions

The college will:

- expand and upgrade academic, administrative and infrastructural capacities;
- rejuvenate the existing infrastructural facilities;
- acquire additional land for expanding the existing campus;
- create new facilities in terms of staff quarters, hostels, conference rooms, recreation (existing hostels will be renovated by suitable flooring, furnished dining rooms, modern bathrooms and toilets, reading rooms, indoor games, recreation rooms on priority basis) and sports centres, lecture theatres;
- create security arrangements with in the campus;

- provide parking facilities in and around the campus;
- promote hobbies like painting, photography, music, folk dance etc; among students through talent hunt clubs;
- start social activity clubs for teaching and non teaching staff;

Actions:

While striving to achieve its goal, the college will: -

- ✓ explore avenues for expanding existing campus;
- ✓ undertake maintenance and enhancement of infrastructural facilities;
- ✓ annually evaluate the pace of infrastructure development;

III. Human Resource Development: Strategies and Actions

The college will:

- facilitate placement of students in different sectors;
- promote training and skill development activities for the staff;
- encourage staff and the students to express their views on issues of public interest without any fear;
- provide health, physical and mental well-being facilities to the staff and students;

Actions:

While achieving its goal, the college will:

- ✓ organize capacity building programmes every year;
- ✓ encourage/initiate welfare schemes for students sc/st/obc;
- ✓ create new avenues for recreation;

IV. Social Responsibility: Strategies and Actions

The college will:

- infuse in students the value of the importance of duty and serving the community;
- develop the voluntarism among students to serve the society;
- ensure the participation of staff and students in sharing the task of social responsibility;
- put special emphasis on diagnosing the social evils/ problems and finding ways out;

Actions:

While striving to achieve its goal, the college will: -

- ✓ frequently sensitize college fraternity towards social responsibility;
- ✓ frequently organize lectures, conferences, workshops and seminars;
- ✓ make sure the development of strong social value system;
- ✓ develop a sense of belongingness and nationalism;
- ✓ develop a sense of responsibility among staff and students;

V. Resource Generation: Strategies and Actions

The college will:

- explore new avenues for finance and resource generation;
- generate finances and other resources by introducing self financing courses;

- strive to generate its own corpus fund through resources mobilization from sponsorships, people's representatives and alumni;

Actions:

While progressing towards its goal, the college will:-

- ✓ Introduce self financing courses;
- ✓ Increase the number of such courses;
- ✓ Strengthen the Parents Teacher's Association (PTA) an Alumni Association to get sponsorship.

INSTITUTIONAL DEVELOPMENT PROPOSAL

Strengths, Weaknesses, Opportunities, and Threats (SWOT) ANALYSIS

Strengths: -

Existing Infrastructure and Learning Resources

Presently available infrastructure in the college is as under: -

- Main building houses the offices of Principal, Superintendent, Fee counters, three Computer labs and Seminar Hall.
- Department of Physics, Botany, Zoology, Chemistry and the Auditorium are housed in Science block.
- We have got temporary Arts block in which we have 10 class rooms though we are having 13 faculties in Arts;
- BCA classes are being run in this college;
- For Commerce classes we have three rooms and Library is in commerce block with a temporarily reading room;
- At present we have Hostel only for boys which accommodate only 165;
- Only college with Centre of Excellence status and admission on merit basis.
- Teachers are actively involved in research activities.
- To facilitate the Students and Teachers in their learning Library is equipped with 8500 General, 20259 Text and 2048 Reference books in addition to 7241 titles in book bank for BCA students.
- Our college takes pride in initiating Teacher evaluation by students from current academic session i.e. 2013-14.
- From this year we have also introduce STUDENTS CHARTER under IQAC.

Weaknesses: -

- College campus is having very small area which needs expansion.
- College is not having girls hostel, staff quarters which are urgently needed.
- For sports activities playground is not available for major games.
- Additional classrooms are needed for purposed PG classes and self financing courses.
- Lack of modern classroom facilities.
- Shortage of teaching and non-teaching staff.
- No departmental rooms for teaching.

Opportunities: -

- The institution is in urban area and capital of the state.
- Strategic priorities and initiatives to enhance faculty excellence.
- Admissions on merit basis and their merit can be used for communication links with all big cities like Chandigarh, Delhi, Bangalore, Mumbai, etc.
- Enhancement of research activities.
- To create a model institution catering quality education to the students in the state.

Threats: -

- If the college does not get proper infrastructure the good students can move to neighbouring states.
- Competitive ability may decline if student does not get proper facilities.
- Improving employability of graduates.
- Learning outcome of the students.

ACTION PLAN FOR NEXT FIVE YEARS

Infrastructure and Learning Resource: For the development of existing infrastructure and adding new facilities.)

1. Separate Arts block to house the arts faculty, separate faculty rooms and classrooms including smart classrooms;
2. It will include laboratories for Geography, Physical Education, Psychology, Music departments and the labs will include latest infrastructure facilities and equipments; It will also include two language labs;
3. Girls' Hostel as 50% of our students are girls;
4. Separate Library block
5. Ramp for physically challenged students;
6. Guest House, sports and Recreation Centre
7. Acquire land for faculty residence with Government's permission;
8. Parking facility, Green House, water harvesting, solar energy system, disaster related equipments.
9. Renovation of the Boys' hostel: improve the toilet facilities, kitchen and common room;
10. Principal Residence and Residential houses for the staff;
11. Multi media Centre
12. Computerization of all academic and administrative blocks;
13. The college needs to provide research facilities to the faculty members so that they can pursue their research goals and be linked to the latest development in their respective area of specialization;
14. Each department will organize 4 to 5 teacher oriented activities that will need the support of library resource centre, IT centre, ICT hardware and software centre, internet connectivity and access multimedia, learning resources including e resources;
15. For efficient output under the CBCS system, the college will promote collaboration with other universities, National Laboratories, National Library, institutes of national importance and industries in all branches of knowledge.

16. For academic excellence it has been purposed for small class rooms, additional class rooms and furniture.
17. Some courses at PG level has been purposed under self finance scheme.
18. Generators are needed as there is frequent power failure.

ACTIVITY OF VARIOUS DEPARTMENTS

Date	Department	Workshop/Seminar	Faculty
13.09.2013	English	Understanding the Language of Poetry	Prof. Pushpinder Syal from Panjab University
18.09.2013	Geography	Remote Sensing and Geographical Information system.	
19.09.2013	Sanskrit	Kalidas	Dr. Usha Joshi

TEACHER EVALUATION REPORT

Internal Quality Assurance Cell of the college conducted a Teacher Evaluation Programme on 5th October, 2013 in the college Auditorium. The members of CSCA were invited to make the process transparent. 220 students were considered from BA/B.Sc/B.Com/BCA.I,II,III out of 1800 at random from different subjects. These students were given performas based on scale with different dimensions namely subject. Command, use of Teaching Method, Helping Attitude, Lab Interaction and Class control. The object of the programme was to uplift the existed Teaching Learning process. An amazing feedback surfaced with following remarks: Excellent Remarks for Teaching Method, Helping Attitude, Lab Interaction and class control very Good in subject command

	E	VG	C	A	BA	REMARK
Subject Command	262	273	216	39	21	811
Use of Teaching Method	189	206	113	57	53	618
Helping Aid	268	215	129	54	27	693
Lab Intraction	76	45	28	19	8	166
Class Control	228	226	135	54	28	671
