

Career Counselling Session by JP University

Shimla, February 24, 2026: A career counselling session for final year BBA and B.Com students was organized on 24 February 2026 at Government Degree College Sanjauli, Shimla. The session aimed to guide students about higher education opportunities and career prospects after graduation.

The session was conducted by Dr. Tanu Sharma and Ms. Deepika Thakur from Jaypee University of Information and Technology, Wagnaghat (Himachal Pradesh). The programme was convened by Professor Reena Thakur and Professor Anita Verma, faculty members of the college.

During the session, the resource persons informed students about various MBA programmes available at Jaypee University of Information and Technology and explained the eligibility criteria, admission process, and specialization options. They also highlighted the university's campus placement facilities, industry exposure, and training programmes designed to enhance students' professional skills.

The speakers emphasized the importance of choosing the right career path and encouraged students to develop managerial and communication skills to succeed in the competitive job market. They also discussed various co-curricular and extra-curricular activities offered by the university for the overall personality and career development of students.

The session proved to be highly informative and interactive, as students actively participated and clarified their doubts regarding higher education and career opportunities. The programme concluded with a vote of thanks, and students expressed their appreciation for the valuable guidance provided during the session.
