

Sanjauli College Student Secures Third Position in National Declamation Competition

Shimla, September 2026: Mohit Anand a student of the **Centre of Excellence, Government College Sanjauli, Shimla**, has brought laurels to the institution by securing **third position in a national-level declamation competition** organized by **Voice of Kerala in Delhi**. The competition drew students from 165 colleges across India.

The two-day competition, held from **17 to 19 September**, focused on the pressing social issue of **drug abuse and the need to create awareness among the youth regarding its harmful consequences**. The event provided a national platform for college students to express their views and demonstrate their communication skills, confidence, and social awareness.

Participants from various colleges across the country competed through multiple stages and rounds. Contestants had to qualify through the prescribed rounds before reaching the final stage of the competition. The high level of participation and competition made the event a significant platform for young voices addressing an important social concern.

At the conclusion of the competition, **Anna Trivedi secured the first position**, while **Yogeshwar Krishna stood second**. The **third position was secured by Mohit Anand, a second-year BBA student of the Centre of Excellence, Government College Sanjauli**, marking a significant achievement for the college and the state of Himachal Pradesh.

The accomplishment holds special significance as **Himachal Pradesh secured a position in this national-level competition for the first time**. The achievement reflects the student's dedication, confidence, effective communication skills, and commitment to addressing issues of social relevance.

The college administration congratulated the student on this noteworthy accomplishment and appreciated the efforts of all those who contributed to the student's participation and success. The achievement is expected to inspire other students of the institution to participate actively in academic, co-curricular, and socially relevant activities at national and international platforms.

The college remains committed to providing students with opportunities that foster confidence, leadership, communication skills, and responsible citizenship.
