

Report on the Computer Science Education Week celebration by the Department of BCA

The Department of Bachelor of Computer Applications (BCA), Centre of Excellence, Government College Sanjauli, successfully organised the academic and cultural function on 11th and 12th December to celebrate “ Computer Science Education Week “with great enthusiasm and active participation from students and faculty members. Computer Science Education Week (CSEdWeek) is an annual, global event held in December (around the 9th) to make computer science accessible, fun, and inspiring for learners, highlighting its role in technology and encouraging participation through activities like the Hour of Code, honouring [Grace Hopper](#) a computer scientist who was a pioneer of computer programming.

Day 1: Academic Function (11th December, 2025)

The first day of the event was dedicated to academic and intellectual activities aimed at enhancing students’ technical knowledge, creativity, and presentation skills. The events organised included **Poster Making, Quiz Competition, PowerPoint (PPT) Presentations, and a Skit**. Students from various semesters participated actively and showcased their talents.

Asst judged the Poster Making and PPT Presentation events. Prof. Surinder Chauhan. He appreciated the creativity, clarity of concepts, and technical depth demonstrated by the participants.

The results of the competitions were as follows:

- **Poster Making:**
 - **Winner:** Adarsh
- **Quiz Competition:**
 - **First Position:** Team E – Amit Jangra, Roohi, and Jatin
 - **Second Position:** Team D – Praveen, Aanya, and Bhumika
- **PPT Presentation:**
 - **Winner:** Sanjana and Himanshi
 - **First Runner-up:** Aanya and Roohi
 - **Best Speaker:** Sam Jasper

- **Best Effects:** Sanjana and Himanshi

The academic events provided a platform for students to express their ideas confidently and encouraged healthy competition.

Day 2: Cultural Programme and Prize Distribution (12th December, 2025)

The second day featured a vibrant Cultural Programme, where students presented various cultural performances that reflected creativity, teamwork, and enthusiasm. The programme created a joyful and festive atmosphere on the campus.

The Prize Distribution Ceremony was held to honour the winners of all academic events. The Chief Guest, Principal Prof. Bharti Bhagra, graced the occasion and motivated the students with her inspiring words. She emphasized the importance of technical education, discipline, and holistic development in students' lives.

The programme concluded with a motivational speech by the Vice Principal Prof. Bachan Jyoti, followed by a vote of thanks delivered by the Department of BCA, acknowledging the efforts of the organizing team, judges, participants, and supporting staff. Refreshment was also distributed among students on both days to the students of BCA at the end of the program.

Overall, the two-day Computer Science Education Week celebration was a grand success and proved to be an enriching experience for all participants and faculty members.
