

# THE BHARAT SCOUTS AND GUIDES

GOVT COLLEGE SANJAULI, SHIMLA

## Environment Day Celebration

On the occasion of World Environment Day, celebrated globally on 5<sup>th</sup> June 2025, the Bharat Scouts and Guides Unit Sanjauli organized a meaningful event to celebrate this day. Despite the ongoing College vacation, students actively participated in this event from their homes, through various online and offline activities, showcasing their environmental awareness and commitment to environment. They prepared posters and paintings on environmental themes such as pollution control, tree plantation, water conservation and the importance of biodiversity. The volunteers also initiated a local cleanliness drive involving villagers in their respective areas. This activity not only spread awareness but also strengthened community involvement in environmental protection.

Saving the  
 environment means  
 saving a life. Let's  
 make the world  
 environment day more  
 successful by taking  
 an oath to protect  
 nature. Happy World  
 Environment Day...
