

international day of peace

20th September, 2025

A Report

Shimla, September 20:

As part of the International Day of Peace celebrations, the Rovers and Rangers of GDC Sanjauli Unit extended their peace-building initiative to schools across the city under the theme "Act Now for a Peaceful World." The outreach aimed to inspire young minds to become active participants in creating a harmonious and just society.

The Bharat Scouts & Guides, Sanjauli Unit

The Scouts and Guides visited D.A.V. Senior Secondary School, New Shimla, engaging students in interactive sessions designed to communicate the importance of peace, tolerance, and empathy. In their role as “Messengers of Peace,” they facilitated discussions on how small, meaningful actions—such as helping peers, resolving disputes amicably, and practicing inclusivity—can collectively contribute to a more peaceful world.

The unit also visited the Tibetan School, where similar interactive sessions were conducted. Students participated in team exercise to explore practical ways of promoting peace within their communities.

The event concluded with a reaffirmation of the commitment to peace, leaving students motivated to become ambassadors of goodwill and compassion. The programme underscored that the seeds of peace are sown through consistent effort, awareness, and understanding, and that young people hold the potential to transform communities through conscious and compassionate action.
