GDC Sanjauli Unit

a report

Orientation Programme

To instill the spirit of Scouting and Guiding among students, the **State Training Centre of the Bharat Scouts and Guides, Rewalsar (Mandi)** initiated an Orientation Programme, which was conducted successfully under the leadership of the **Bharat Scouts & Guides, HP Sanjauli Unit.**

at

D.A.V. PUBLIC SCHOOL, NEW SHIMLA

The Programme on **Scouting and Guiding** was conducted on **30th of August 2025** at DAV Public School, New Shimla, with the collaborative efforts of **COE Govt. College Sanjauli, Hills Queen Rangers Open Group Shimla, and B.P. Rovers Open Group Shimla.**

Ranger Ananya (BA 2nd Year, Roll no. - 24509007) and Rover Kunal (BA 2nd Year, Roll no. - 24506021) from COE Govt. College Sanjauli participated in the programme along with other Rovers and Rangers. They started by sharing a brief introduction about **Scouting, its history, and its significance in shaping students' character and leadership skills.**

To make the session more **interactive**, a variety of fun games and activities were organised for the children. The students participated with great enthusiasm and thoroughly enjoyed the experience.

The session turned out to be a **motivating and informative** one, generating an **awareness** among the students about the values of Scouting and Guiding and its importance in their day-to-day lives. And most importantly, it proved to be a great step towards **establishing a Scouts and Guides Unit** at DAV Public School, New Shimla .

Lord Baden-Powell, the Founder of the Scout Movement, once said:
**"The spirit is there in every [being] ;
 it has to be discovered and brought to light."**
