

Action Taken Report : 2024-25

The annual activity calendar for Department of Botany was proposed in the meeting held on 01.08.2024 which was convened by the HOD along with the faculty members and Office bearers of the Botanical Student Society . The following activities were planned to be conducted round the year .

1. MoU : To sign an impactful memorandum of understanding between our college and HFRI (Himalayan Forest Research Institute).
2. A plantation drive to be organized along with Eco club in the campus and in the neighbouring areas of the college
3. An exhibition on medicinal plants and their plant parts used economically in the college campus
4. A workshop on Molecular Biology techniques to be organized for the students
5. An International conference to be organized (Interdisciplinary) under the Star DBT Scheme .

An Action Taken Report for the activities mentioned in the perspective plan are as follows :

1. MoU : The MoU was signed on dated between the Principal COE GC Sanjauli ,Prof Bharti Bhagra and Dr Sandeep Sharma Director ,HFRI for exchange of scientific innovations and developments between the institutes .
2. Workshop &Exhibition of Medicinal Plants : One day workshop was organized for the students of the neighbouring four colleges and the host college to spread awareness about the medicinal properties of common Medicinal plants available in North western Himalayan region. The plants were exhibited in the campus along with their dried plant parts and students informed the students about their uses.
3. Two days Workshop on Molecular Biology Techniques : The workshop was organized in collaboration with HFRI in their institute . Nearly 40 students participated in the workshop and had hands on experience in the molecular biology laboratory lab gaining valuable information on DNA isolation and PCR techniques.
4. An interdisciplinary International conference was organized on Recent Advances in Physical and Biological Sciences by the Science department funded by the Star DBT Scheme .
5. Plantation drive was carried out in association with Eco club in Benmore ward Navbhar .
