

PLACEMENT DRIVE 13 MARCH-2024

On March 13, 2024, a placement drive was held by Department of Vocational Studies at Government Degree College, Sanjauli, underscoring the significant role campus placements play for both students and educational institutions in today's era. This event provided students with a gateway to kick-start their careers immediately upon completing their course curriculum.

Participating companies, including US Polo, Flying Machine, and Arrow, are renowned brands, reflecting the prestige of the event. Four colleges participated in this drive: Government Degree College (Sanjauli), Government Seema College (Rohru), Government Degree College (Rampur), and Government college RKMV Shimla.

Out of the 50 students who participated, six were successfully selected, showcasing the competitive nature of the process. During the selection procedure, students had the opportunity to interact with HR professionals and Operations Managers from the participating companies.

Salaries offered ranged between 25,000/- to 30,000/-, providing students with attractive prospects. The placement drive commenced with an introduction to the companies, followed by a group discussion and personal interviews for the selected candidates. Collaborating with such esteemed brands offered students invaluable exposure to real-world scenarios.

Upon completion of the placement process, recruiters held discussions with the college principal, Mrs. Bharti Bhagra, BVOC Nodal officer, Dr. Minakshi Sharma, Divisional Manager, Mr. Shiv Kumar, and State Coordinator, Mr. Sumit Sharma. The principal commended the B. Voc (Retail Management and H&T) team, led by Mr. Pankaj Verma, Mrs. Surbhi Sharma, Mrs. Pinky, Mr. Umesh Rana, Mr. Ramesh Bisht, Miss Sandeepa, and Mr. Kush Bhardwaj, for their successful organization of the drive.
