The main objective of any college Placement Cell is to bridge the gap between the stringent competition in the industry and talent available in the college. With adequate training and support, students enhance their skills and understand how to showcase their abilities in the best possible way. Not only the Placement Cell offers training programs to students to develop various significant skills but also facilitates the process of recruitment for all the eligible students. These are the students of Retail Management and they have been placed in big stores in Chandigarh and Shimla along with it they are earning a handsome amount of salary.
