

## ***REPORT ON POLYMER QUIZ***

“Learning gives Creativity, Creativity leads to thinking, Thinking provides Knowledge, Knowledge makes us Great.” Quiz Competitions are always interesting and informative, which provides excitement among the students and also makes them aware of current affairs. Students of Monday-Tuesday Practical Group of B.Sc. 5th Semester were given an opportunity to organise a quiz by our Chemistry Professor, Dr. Sandeep Chauhan on “POLYMER CHEMISTRY”

This quiz on “Polymer Chemistry” was organised in the college Conference Hall on 2nd September, 2019 from 12 to 2 PM for the students of B.Sc. 5th Semester in which 4 teams participated, 2 teams each from Medical and Non-Medical stream. The Quiz was co-ordinated by Nitish Chauhan, Amarsh Mehta and Tushar Godyal. Participants were:

**Team A-** Omprakash, Varun, Bhavnish, Yatharth.

**Team B-** Ishika, Dimple, Vaibhav and Vaibhav Sagar

**Team C-** Meenakshi, Narender, Sandhya and Ankita Sharma

**Team D-** Raveena Rana, Prachika, Vinita and Nitika.

It was a four-round competition including 2 objective questions round, visual round and a special Seminar Round. Rules and regulations of the quiz were explained at the beginning.

In first round, every team was asked 2 questions each and in the second round again 2 questions each were asked on the basis of a video which basically focused on “Plastics”. Every team showcased their brilliance by rapidly answering the questions, but Team A and Team D were leading with equal scores till Round 3.

Thus Round 4 proved to be the deciding round for the quiz i.e. Seminar Round. One contestant from each team presented their seminar on one of the burning environmental issues. Consequently, other teams had a chance to counter question the contestant presenting his/her seminar.

Every team gave their best in this round which made it tough for our judge Dr. Sandeep Chauhan to decide the winners.

A half mark advantage given to Team A for their brilliant counter questioning was more than enough to surpass Team D and become the winners of the Quiz. Team A ended up at the 1st place, Team D at the 2nd Team C at 3rd and Team B at 4th position. Winning teams were congratulated by Sandeep Sir and all the teams were appreciated for their brilliant efforts.

Our respected teacher Dr. Sandeep Chauhan appreciated the efforts of the organizers and promised to conduct many more such activities. Overall, the quiz was highly informative, entertaining and exciting experience.
