

On-Job Training under DBT Star College Scheme

The Department of Computer Science, Centre of Excellence, Government College Sanjauli, issued official communications to various esteemed

institutions seeking deputation of resource persons for the upcoming On-Job Training (OJT)/Workshop for Vocational Students (IT/ITeS) under the DBT Star College Scheme, scheduled from 21st to 24th February 2025.

Formal letters were addressed to:

- St. Bede's College, Shimla – requesting deputation of Ms. Neha Walia, Assistant Professor, Department of Computer Science, as Resource Person on 21st February 2025.
- Rajeev Gandhi Govt. Degree College – requesting deputation of Dr. Divya Chauhan, Assistant Professor, Department of Computer Science, as Resource Person on 24th February 2025.
- Govt. College Theog – requesting deputation of Sh. Mritunjay Sharma, Assistant Professor, Department of Computer Science, as Resource Person on 22nd February 2025.

The programme was conducted by the Department of Computer Science under the able coordination of Dr. Surinder Chauhan, who played a key

role in organizing and facilitating the workshop. Dr. Cha

uhan delivered the welcome address, highlighting the objectives of the OJT programme and emphasizing the importance of practical exposure and industry-oriented skills for vocational students.

The event concluded with a formal Vote of Thanks delivered by Dr. Surinder Chauhan, expressing sincere gratitude to the deputed resource persons, collaborating institutions, faculty members, and participating students for their valuable contribution and cooperation in making the programme successful.

The workshop aims to enhance practical knowledge and technical competencies of vocational students through expert sessions and hands-on training. This collaborative academic initiative reflects the institution's commitment to strengthening inter-college cooperation and promoting quality skill-based education under the DBT Star College Scheme.
