

World Record Cyclist Somen Debnath Promotes AIDS Awareness and Environmental Consciousness among Youth

Shimla: The Eco Club and Red Ribbon Club of Centre of Excellence, Government College Sanjauli, jointly organised an inspiring awareness session for students featuring world-record cyclist and humanitarian Somen Debnath, who shared his remarkable experiences and life journey with the students. Through his bicycle journey across 191 countries and all seven continents, he has spread messages of humanity, health, environmental conservation and social awareness.

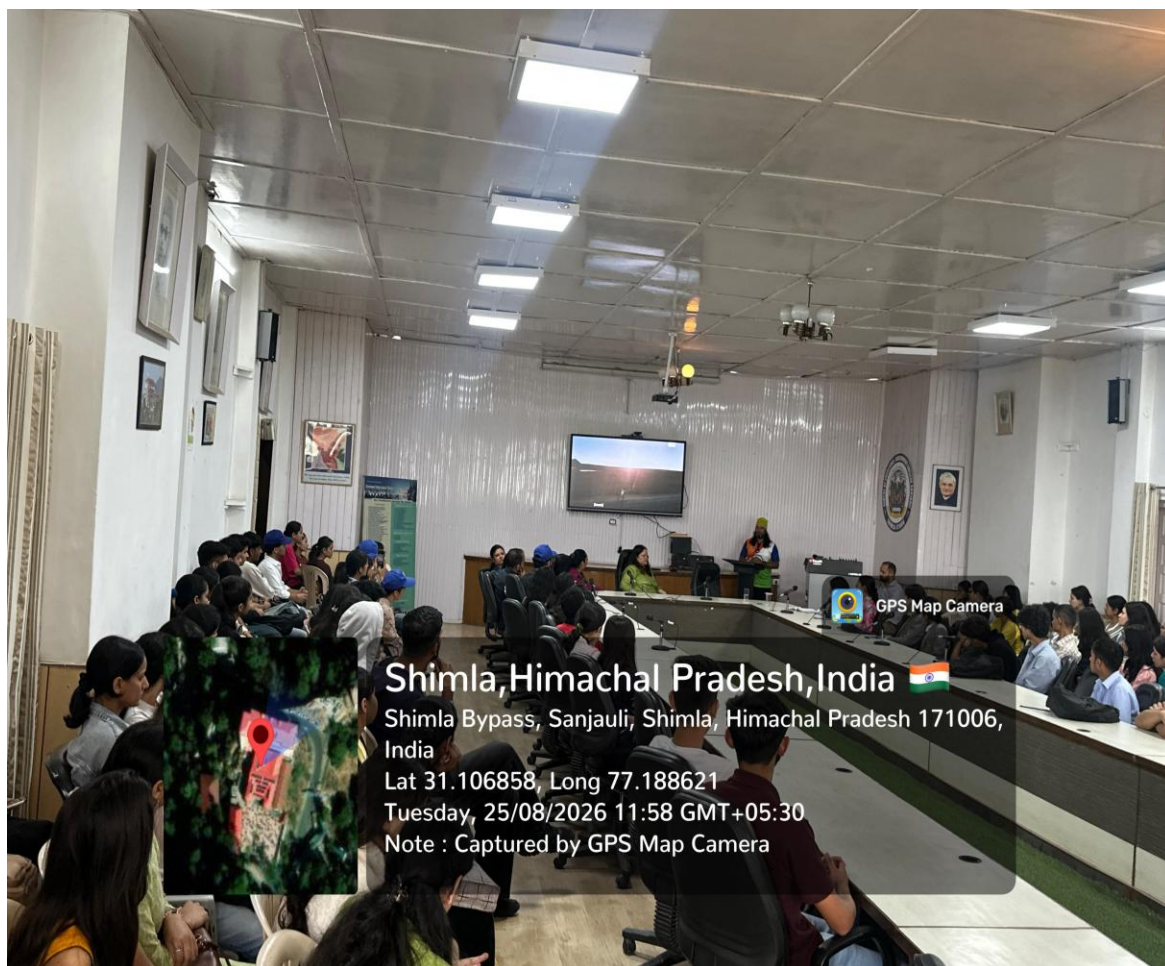

On the occasion, Somen Debnath particularly highlighted the importance of AIDS awareness, nature conservation and environmentally sustainable living. He encouraged students to become more sensitive towards nature and to actively contribute to environmental protection. Drawing upon his personal experiences, he also inspired them to embrace determination, perseverance and service to humanity.

At the conclusion of the programme, the Principal of the college, Prof. Bharti Bhagra, expressed her gratitude to **Somen Debnath** and appreciated his inspiring thoughts and dedication towards society and humanity. She stated that such awareness programmes play an important role in developing a sense of social responsibility, environmental consciousness and positive thinking among students.

The programme was attended by Prof. Shivani Keprate, Prof. Deepti Gupta, Dr. Shweta Sharma, Prof. Sarla Thakur and Dr. Shikha Chandel, along with other faculty members and students. The students enthusiastically listened to Somen Debnath's experiences and message.

The session inspired the students to better understand their responsibilities towards **AIDS awareness, nature and environmental conservation**, while motivating them to contribute positively to society and the environment.
