

CoE Govt. Degree College Sanjauli, Shimla

Department of English

Communication Skill Enhancement Activity

During the academic session 2024–2025, the Language Laboratory was effectively utilised to enhance students' English language skills, particularly in comprehension and pronunciation. Five regular sessions were conducted in September for 25 students to practice listening and speaking through audio-visual learning materials and interactive software.

Various activities such as listening exercises, pronunciation drills, and guided speaking practices were organised to help students understand correct pronunciation, stress, and intonation. These sessions also helped students improve their vocabulary and develop better listening comprehension.

The use of the Language Lab created an engaging learning environment and encouraged students to practice English confidently. As a result, students showed noticeable improvement in their pronunciation, comprehension, and overall communication skills.
