To

The Director Higher Education,  
 Himachal Pradesh,  
 Shimla-171001.

**Subject: Framing of career counseling and placement cell and action taken report thereof.**

Sir,

With reference to your letter no EDN-H (8) Misc. 2018 dated 29/03/2019, it is stated that our college has career counseling and placement cell. Following are the members of the cell.

1. Dr. R.L.Sharma convener
2. Dr. Sandeep Chauhan
3. Dr. Shivani Sood

It is stated that this year we have already initiated for the campus placement of the student of VI Semester of different faculties. We organized job fair in collaboration with Jio net work in the campus on 22/01/2019.

The placement cell also tied up with the South Bank for campus recruitment in the bank. The said bank organized a online test in the college and short listed 11 students of the college for interviews on 20/03/2019. Educare India also selected 12 students for part time job training from campus.

The cell has organized special talks on career counseling in collaboration with Chitkara University Chandigarh, Chandigarh University Chandigarh, Chanakya Academy and Bright Academy for competitive examination. Experts from Yashwant Singh Parmar Horticulture University gave the tips for self employed in horticulture and floriculture to explore the better opportunities for the students.

We are trying to explore the further opportunities of placements for promising students in future. We established a financial lab with the help of the Directorate of higher Education to enhance the skill of the commerce students to fill the GST form, online trading in shares etc. to get the self employment after college.

Thanking you
