

Report on Geology Students' Participation in Mehndi Competition

Held at Centre of Excellence, Government College Sanjauli on 10.09.2025

On 10th September 2025, a Mehndi competition was organized at the Centre of Excellence, Government College Sanjauli, as part of the college's cultural events. Students from various departments actively participated in the event, including enthusiastic representation from the Department of Geology. Several students from the department took part and displayed their artistic skills through beautifully intricate Mehndi designs. Their participation not only highlighted their creative abilities but also reflected a deep appreciation for traditional Indian art forms. The students' involvement in such events reflects the department's encouragement of all-round development and active participation in co-curricular activities. Overall, the participation of Geology students in the Mehndi competition was a proud moment for the department, showcasing their talent beyond academics. Events like these play an important role in promoting cultural awareness and boosting student confidence. The Department of Geology appreciates the efforts of the participants and looks forward to more such engagements in the future.
