### Constitution Day Celebration on 26 November 2021 by the Department of Political Science

"Constitution is not a mere lawyer's document, it is a vehicle of Life, and its spirit is always the spirit of Age."

— B.R. Ambedkar

Constitution Day or Samvidhan Divas was celebrated at Centre of Excellence, Government College, Sanjauli, Shimla-6 by the Department of Political Science on 26 November 2021 to commemorate the adoption of the Indian Constitution. To reiterate the values enshrined in the Constitution, the students and the fraternity joined the Principal Dr C B Mehta in the reading of the Preamble to the Constitution in the Auditorium Hall.

Professor Kamal Manohar Sharma, Retired Professor from the Department of Political Science, and an a well known theatre artist was the keynote speaker on the occasion, addressed the students and took them on a journey of the framing of the Indian constitution from its history to its present -day form; and its vital role in bringing together 'an idea called India'.

An art Gallery was arranged by the students in which rare photographs of people who contributed in the making of Constitution were revealed to the audience.

Apart from special lecture students of the department of Political Science presented different cultural items representing the "Unity in Diversity". A special quiz competition was conducted on the theme "Making of Indian Constitution". A declamation contest was also organized in which students expressed their opinions in details about:

- Need for the constitution
- History of constitution
- People behind Constitution of India
- Basic rights and responsibilities of Indian citizen as per our constitution
- Preamble of constitution
- Challenges for Constitution of India

The students were engaged in various activities like Poetry, Kinnauri Dance, Pahari Dance and other performances which helped to reiterate the values and principles enshrined in the Constitution.

The Principal, Mr. C B Mehta, Ms Namita Khagta amd Mr Devender Sharma motivated the students to reaffirm their commitment to uphold the ideology laid down in the Indian Constitution.

### Electoral Literacy Club Sensitization:

# Systematic Voters' Education and Electoral Participation (SVEEP) 'Greater Participation for a Stronger Democracy'

On 4<sup>th</sup>December, 2021 Electoral Literacy Club of the college organized different activities under SVEEP programme in the Conference Hall under the chairmanship of Dr. C B Mehta. The students were engaged through interesting activities and hands on experience to sensitize them on their electoral rights and familiarize them with the electoral process of registration and voting. Through SVEEP, election commission of India aims at strengthening the culture of electoral participation among young and future voters.

Debate Competition and Poster Making Competition were organized on the theme 'Greater Participation for a Stronger Democracy". In the discussion it was resolved that there is a perception among most of the urban sections in our country that, exercising their franchise would not make any significant change in the way our nation is being administered with a view to dispel their negative notions. The election commission has over the years devised various innovative strategies to attract votes across all sections of society and it was communicated to the youth that they should strongly believe that these kind of measures would go a long way in increasing voters participation in the coming election. Hence no vote should go to waste since the vote of every person matters a lot in the process of nation building and to ensure a healthy and flourishing democracy.

Principal C B Mehta, Ms Namita Khagta and Mr Devender Sharma motivated the students by making them aware of the SVEEP's primary goal, which is to build a truly participative democracy in India by encouraging all eligible citizens to vote and make an informed decision during the elections. SVEEP activities works for achieving the aim of building a stronger democracy through greater synergy with Civil Society Organizations, Media and Corporate Houses and even greater queries, suggestions, and participation from individuals.

This is a platform to engage college student through interesting activities and hands-on experience to sensitize them on their electoral rights and familiarize them with the electoral process of voting

## Awareness programme regarding Fundamental Duties

Wide range of activities were organized like debate, declamation and PPT presentation by the students related to fundamental duties mentioned in Part IV of the constitution under article 51 A.

Dr Devender Sharma delivered a lecture on the duties of citizens to strengthen the idea of India constituted by three important elements i.e. Democracy, Diversity and Development. He explained that how these elements were evolved as pillars of republic of India after hundred years of struggle

against colonialism and that intellectual experience of our leaders in freedom movement.

Though these ideas were alien or Western in nature but India valued these ideas in its own way of experiences and made them Indian. India democratized the idea of democracy. Unlike Europe India did not reduced it's diversity into nation state but accepted this diversity as strength not as weakness.

India evolved it's indigenous idea of development unlikely following European modal of development.

# Awareness programme regarding Fundamental Duties

On 11 March 2020 department of Political Science of Govt. College Sanjauli,organized one day activity on the relevance of fundamental duties in present time.

Objective of this event was to sensetise students that while emphasizing on rights it simultaneously very important that the citizens are also aware about their duties towards the society at large and the country especially reflecting values of it's constitution

underlying the idea of India.

# Awareness programme regarding Fundamental Duties

He

appealed the students to disseminate this message deep into society for larger discourse so that every citizen could feel his or her responsibility to protect idea of India for probable threats.

Principal Prof. C B Mehta and Prof.

Poonam Chandel also addressed the audience and threw light on the relevance of fundamental duties in present time.
