

ARMY ATTACHMENT CAMP 2022

HP20SDA304901

UO GAURAV SHARMA

I had the privilege to attend a camp from **16th to 30th August, 2022 at Mcleodganj (Dharamshala)** with India's one of the most bravest and decorated regiment's oldest battalion i.e. 1/1 Gr Bn .

It was a very special and proud moment for me to be a part of Indian Army (IA) and to follow the daily schedule of an infantry battalion for 15 days at a stretch including morning PT, exercises, drill, classes, sports activities etc.

The camp focused on providing an overview of daily routine of an Infantry Battalion and its operations emphasizing its role and significance in IA starting from Infantry composition, mode of operation, weapon display, weapon handling , firing with 5.56 mm INSAS Rifle.

The Army personnel tried their best to impart special skills like Mountain climbing & rappelling, Night navigation, Map reading, tying knots & hinges, rescuing & life saving skills.

This camp provided me the real time experience and clarity about the life of Army Personnel and encouraged me to take up a career in Armed forces.
