

REPORT ON GANDHI JAYANTI

On 2nd October, Gandhi Jayanti was celebrated at COE GC Sanjauli with great enthusiasm and reverence. The occasion served as a reminder of Mahatma Gandhi's enduring legacy and his profound contributions to India's freedom struggle and social reform. To honor his principles, a cleanliness drive was organized within and around the institute premises, reflecting Gandhiji's lifelong commitment to sanitation and community service. NCC cadets took active part in the initiative, dedicating their efforts to cleaning classrooms, corridors, and the surrounding areas of the campus. Their spirited participation demonstrated a strong sense of responsibility and discipline, echoing the values instilled by the National Cadet Corps.

To further promote awareness, posters and slogans were displayed across the campus, emphasizing the importance of hygiene and supporting the Swachh Bharat Abhiyan. These visual messages served to educate and motivate students and staff alike, reinforcing the idea that cleanliness is not just a one-day effort but a continuous practice. The atmosphere throughout the day was filled with a sense of unity and purpose, as everyone came together to pay tribute to the Father of the Nation through meaningful action.

The Gandhi Jayanti celebration at COE GC Sanjauli successfully highlighted the relevance of Gandhiji's teachings in today's world. The cleanliness drive not only improved the physical environment of the campus but also inspired individuals to adopt cleanliness as a daily habit. The event concluded with a collective pledge to continue contributing towards a clean and healthy India, reaffirming the institute's commitment to social responsibility and national development.
