

## **NUKKAD NATAK – NO USE OF PLASTIC**

**JULY 2021**

A short video (virtual nukkad natak) on No Use of Plastic was released by the cadets of COE-GDC Sanjauli. The main objective of the video was to sensitize the public/students about the harmful effects of plastic on human health and the environment. The young talented minds of the students splashed their ideas on how to stop the use of plastic.
