A Report **ONE DAY CAMP**

Date: 22/09/2025

Introduction:

The NSS Unit of Government College Sanjauli organized a **One-Day Camp** full of learning, service, and fun. A total of 105 NSS volunteers took part with great enthusiasm and energy. The camp aimed to give students a chance to help society, learn the value of teamwork, and enjoy creative activities together. Throughout the day, volunteers joined in a Cleanliness Drive under MY Bharat Campaign Swachta Hi Seva Hai, Ann Sanjivini 2.0 Collection Drive, fun games, a jam session, and a colourful cultural program. The camp helped students build leadership skills, make new friends, and understand the true meaning of the NSS motto “**Not Me But You**”.

Objectives:

The main objectives of the One-Day Camp were:

1. To clean the campus and nearby areas through a Cleanliness Drive.
2. To collect food items and essentials for the needy under the Ann Sanjivini 2.0 Collection Drive.
3. To engage volunteers in fun games to encourage teamwork and quick thinking.
4. To organize a cultural program and jam session to showcase creativity and talent.
5. To promote a spirit of service, unity, and responsibility among students.

About the Camp:

The camp began with the gathering of all volunteers, followed by a short physical activity session to refresh and energize everyone. After the

warm-up, the students were divided into groups for different tasks.

- Ann Sanjivini 2.0 Collection Drive: One group collected food items and other essentials for donation to help the needy. Volunteers moved around the campus and nearby areas to gather contributions from students and staff.

- Cleanliness Drive under MY Bharat

campaign Swachta Hi Seva Hai: Another group worked to clean the campus and surrounding areas, spreading awareness about keeping the environment clean and healthy.

After these service activities, the volunteers enjoyed a presence-of-mind game, which brought excitement and laughter while testing their quick thinking. Next, each

group was given a district of Himachal Pradesh to represent through songs, dances, and interesting facts, showcasing the state's rich culture and traditions.

To close the day on a cheerful note, everyone came together for an open jam session, where students sang, danced, and celebrated the spirit of friendship and togetherness. The mix of service, culture, and entertainment made the camp both meaningful and memorable for all.

Conclusion:

The One-Day NSS Camp beautifully combined social service, learning, and enjoyment. It gave every volunteer an opportunity to work for society, share their talents, and strengthen their bond with fellow students. The camp not only created wonderful memories but also inspired everyone to continue serving the community with dedication and care.

Acknowledgement:

We extend our heartfelt gratitude to all the NSS volunteers whose enthusiasm, dedication, and hard work made the One-Day Camp a grand success. Their active participation in every activity—from collecting donations and cleaning the campus to playing games and presenting cultural performances—showed their true spirit of service and teamwork. Their efforts are highly appreciated and will inspire others to contribute to society with the same passion.
