No. of Participants	10 (Boys: 2, Girls: 8)

Description of Activity:

- NSS volunteers of GC Sanjauli, under the initiative of the Department of Environmental Science & NSS Unit, participated in the Six-Day Inter-College Training Programme on Disaster Risk Reduction (Project CLAP) held at St. Bede's College, Shimla, from 7 to 12 September 2026.
- The programme focused on disaster preparedness, risk reduction, environmental protection, search & rescue, first aid, and CPR.
- Expert resource persons and the DOERS Team provided sessions on hazard, risk and vulnerability assessment, along with the impacts of climate change.
- Volunteers also undertook an educational visit to the Botanical Garden as part of the programme.
- The State Disaster Response Force (SDRF) team gave a practical demonstration of search and rescue techniques and equipment, and volunteers were trained in CPR and first-aid procedures.
- The training equipped volunteers with practical knowledge to assist themselves and the community during disasters, contributing to a safer and more resilient community.
