

Career Counseling Report-2019

One day Career counseling session was organized by Department of Physics, Centre Of Excellence Govt. College Sanjauli, Shimla under UPSS (Undergraduate Physics Students Society) on April 5, 2019 for B.Sc IIIrd year students to make them aware about various opportunities and trends in the field of science after graduation. The Resource persons for the session were Dr. Rajesh Sharma (HOS, School of Physics and Materials Science) and Dr. Pankaj Thakur (Assoc.Prof. in Deptt. Of Chemistry) Shoolini University, Solan, H.P. Prof. Kirti Singha (HOD) Deptt. Of Physics welcomed and gave a brief introduction of the Resource persons. Dr. Rajesh Sharma gave a brief introduction about the various opportunities and scope in the field of Physics and materials science. He suggested varied ways that how to opt the career in one's life depending on the capabilities and potential. He talked about how to focus on the chosen career and what are the efforts to be put in to make that dream true. He explained by giving examples of various successful people, that how they achieved the status in spite of having lack of facilities and financial support.

The students cleared their doubts by asking various questions regarding the confusions, they usually face while deciding their career.

Dr. Pankaj also apprised the students with various career options in chemistry and the field of science. He motivated the students to be confident and communicative in life. Besides, hard work, time management and focus on the line opted are important aspects to be taken care of.

All the students were highly motivated and got to know about various opportunities after completing their graduation. It was a very informative day for the students. Prof. Monika Chandel(Asst. prof. in Physics) and Dr. Brijmohan(Asst. Prof in Physics) were also present in the session.

Report Compiled and submitted by Kirti Singha (Deptt. Of Physics)
