

Report on Career Guidance Session

Venue: Centre of Excellence, Government Degree College, Sanjauli, Shimla

Date: 9th September 2026,

A Career Guidance Session was organized at the Centre of Excellence, Government Degree College, Sanjauli, by the Department of Public Administration in collaboration with Himyangsagar Education, with the objective of creating awareness among students about various career opportunities after graduation.

The students from BA second year, third year, MA first semester and third semester attended the session.

The session focused particularly on competitive examinations, civil services, and career opportunities in government organizations. The experts discussed different career pathways, eligibility requirements, examination patterns, preparation strategies, and the skills required to succeed in competitive examinations.

The session was interactive and informative, giving students an opportunity to ask questions and seek guidance regarding their career choices. The speakers also emphasized the importance of starting preparation at the right time, developing general awareness, and following a disciplined study routine. The programme proved to be highly beneficial for the students as it provided them with practical career-oriented information and motivation. It encouraged students to explore different opportunities and make informed decisions about their future.

Then a small quiz competition was organized for the students to test their knowledge and awareness where multiple rounds were played and the winners from each round was given a gift at the end.

The session concluded with a vote of thanks, prize distribution and goodies for all.

Overall, the programme was a meaningful and enriching experience that connected academic learning with future career opportunities.
