

A Report On

AETHER

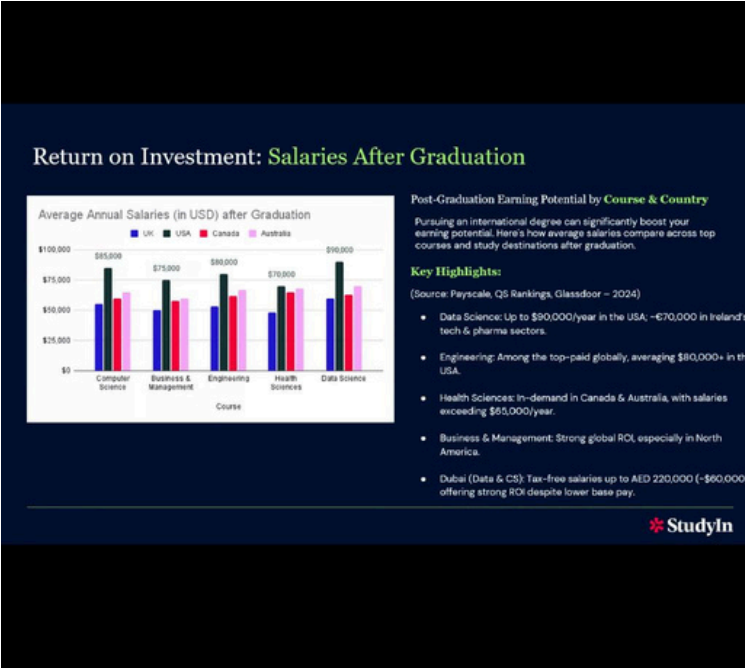

Event Overview :

- Project: AETHER — For Dreams That Belong Worldwide
- Date: June 4, 2026
- Time: 5:00 PM
- Mode: Online
- Host: Rotaract Club of Delhi South East
- In Collaboration With: UniQrew

The **Rotaract Club of Delhi South East**, in collaboration with **UniQrew**, successfully organized an exclusive online webinar titled "**AETHER — For Dreams That Belong Worldwide**" on June 4, 2026, starting at 5:00 PM. The primary objective of this power-packed session was to guide, mentor, and support students aspiring to study and build successful global careers abroad. To foster institutional engagement and expand the reach of this initiative, a collaboration criteria of a minimum of 8 participants per group was established for partnering entities.

During the event, expert mentors delivered comprehensive guidance on university selection, global career opportunities, and navigating complex visa processes. The webinar focused heavily on strategic profile building, creating impactful Statements of Purpose (SOP), and identifying valuable scholarships and funding opportunities. Partnering organizations received distinct collaboration perks, including official social media shoutouts, enhanced club visibility, networking opportunities, and formal collaboration certificates. The event concluded with an interactive, live Q&A segment where attendees engaged directly with mentors to clear their academic and professional queries.

The **AETHER** webinar successfully engaged over 9 active participants, fostering a highly informative and encouraging environment. By bridging the information gap regarding international education, the Rotaract Club of Government College, Sanjauli, in collaboration with UniQrew, successfully empowered students to "Dream Bigger, Aim Higher, and Go Global." The enthusiastic participation and the quality of discussions during the live Q&A highlighted the event's relevance and overall success.

What we do

University application support

Our team assists in selecting the best course and institution, crafting a strong personal statement, and submitting a competitive application to top global universities.

Visa and immigration guidance

We simplify the student visa process, offering step-by-step guidance to help you meet all requirements and deadlines with confidence.

Scholarship and funding advice

We can help identify scholarship opportunities and explore financial aid options to make studying abroad more accessible.

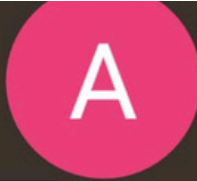

Accommodation and pre-departure support

Through our trusted partners, we assist in finding suitable housing and provide essential pre-departure guidance to ensure a smooth transition to student life abroad.
