Organized By: Rotaract Club of Govt. College Sanjauli

Duration: 1-31 January 2026

Location: Shimla and Rampur Bushahr

The **Rotaract Club of Govt. College Sanjauli** successfully conducted ***Mission: Arogya – A Fruits Donation Drive*** throughout the month of January in the spirit of Lohri, with the aim of promoting health, nutrition, and community welfare among underprivileged children and individuals. Recognizing that the festive season should bring joy and well-being to everyone, Rotaractors came together to distribute fresh fruits to those in need across various locations in **Shimla and Rampur Bushahr**. The initiative focused on ensuring that nutritious food reached children and individuals who may not always have access to such essentials.

Club members personally visited different communities and interacted with beneficiaries, making the drive more meaningful and impactful. Through these efforts, the project not only provided nourishment but also spread warmth, care, and the spirit of sharing during the festive season.

The project was conducted under the guidance of **Rotaract Club Convenor Prof. Rita Chandel** and the leadership of **Club President Vineet Ronta**, whose encouragement inspired members to serve the community with dedication and empathy.
