

Report on Nation Builders Award Ceremony

Overview

The Centre of Excellence, Government College Sanjauli, witnessed a proud moment as the Nation Builders Award was presented by the Rotary Club to **Prof. Bharti Bhagra, Principal, and Prof. Rita Chandel**, Rotaract Club Convenor, in recognition of their valuable contribution towards education, youth development, and nation-building.

The award honoured their dedicated efforts in guiding and empowering students and promoting the values of leadership, service, social responsibility, and education. Their commitment towards the overall development of young minds and their contribution to building responsible and empowered citizens were duly acknowledged through this recognition.

The honour served as an encouragement to continue working towards meaningful educational and social initiatives that contribute to the development of students and society.

Conclusion

The presentation of the Nation Builders Award was a significant occasion for the Centre of Excellence, Government College Sanjauli and for Rotaract Club GC Sanjauli. The institution extended its heartiest congratulations to Prof. Bharti Bhagra and Prof. Rita Chandel on this well-deserved recognition and appreciated their continued dedication towards education, youth development, and nation-building.
