CERTIFICATE REGARDING ADHERENCE TO TEACHING SCHEDULE

This is to certify that all departments of Government College Sanjauli strictly adhere to a well-structured and systematic teaching schedule in accordance with the academic framework prescribed by Himachal Pradesh University.

The institution follows the academic calendar issued by the University, and all teaching–learning activities are planned and executed in alignment with the prescribed schedule. In addition, the college prepares a comprehensive timetable at the beginning of each academic session, which is implemented uniformly across all departments.

Further, each department prepares a detailed teaching plan outlining the distribution of syllabus, instructional schedule, and academic activities. These teaching plans are uploaded on the college website for easy access and transparency.

Each department ensures that classes are conducted regularly as per the approved timetable and teaching plan, and faculty members strictly comply with the allotted schedule. Any adjustments, if required, are managed in a manner that does not affect the overall academic progression of students.

This structured approach ensures timely completion of the syllabus, maintains academic discipline, and promotes an effective teaching–learning environment within the institution.
