Playing a leading role in the development of the region by amalgamating tradition with global trends

Preserving and promoting the cultural heritage of the nation and the region

According priority to critical and fearless thinking

## Holistic Development & Core Values

The institution acknowledges the importance of instilling human values and providing a platform for students' holistic development:

### Human Values

Instilling discipline, tolerance, democratic inclusivity, and personal integrity through programs and activities that facilitate meaningful discussions and promote intercultural understanding.

### Physical & Mental Well-being

Recognizing the significance of physical and mental well-being by offering opportunities for sports and extracurricular activities for students' holistic development.

### Cultural Heritage & Sustainability

Preserving and promoting the nation and region's cultural heritage, blending traditional knowledge systems with contemporary innovations, and encouraging sustainable development practices.

# Decentralized & Participatory Administration

The institution has adopted decentralized and participatory approaches in its academic administration. It operates through the collaborative efforts of the head of the institution and key stakeholders, including students, employees, alumni, Parent-Teacher Association (PTA), and community representatives.

## Administrative Structure

The institution functions smoothly through the formation of various committees, the appointment of a bursar, and the creation of a staff council. The principal does not make administrative decisions without consulting the committees.

## Student Welfare Committees

- Internal Quality Assurance Cell (IQAC)
- Anti-ragging Committee
- Women's Cell
- Committee for the Prevention of Sexual Harassment
- Hostel and Canteen Committees

- ❏ Student welfare committees ensure fair representation from students and consider their opinions, suggestions, and complaints before making decisions. Student organizations with diverse ideologies exist, and discipline-related decisions are made after consulting leaders from these organizations.

# Vision for NEP Implementation

The institution's vision for NEP implementation includes several key aspects:

## Continuous Learning

Continuous learning through teacher FDPs like IIT Bombay Spoken Tutorial and integrating Google Workspace with the existing ERP system.

## Academic Excellence

The National Academic Repository ensures academic excellence, while the introduction of the Vidwan portal aids in research collaborations.

## Research & Innovation

The institution fosters research activities, innovation through student-led projects, and incubation centers in line with the NEP policy document.

Through these initiatives, Government College Sanjauli reaffirms its commitment to educational excellence, holistic development, and meaningful contribution to the region's growth and progress.
