## POLICY ON DISABLED-FRIENDLY BARRIER-FREE ENVIRONMENT GOVERNMENT COLLEGE SANJAULI

Government College Sanjauli is committed to fostering an inclusive, equitable, and barrier-free campus environment that enables equal participation of all students, including persons with disabilities. In alignment with national guidelines and the principles of inclusivity, the college has adopted the following policy to ensure accessibility, dignity, and independence for differently-abled individuals. Government College Sanjauli remains steadfast in its commitment to implementing this disabled-friendly barrier-free environment policy. By ensuring equal access, academic support, and inclusive infrastructure, the institution seeks to empower students of all abilities and contribute meaningfully to a just and inclusive campus community.

### 1. Disability-Friendly Infrastructure

The college ensures that all new construction and renovation projects are planned and executed in accordance with universal design principles. This includes the provision of accessible washrooms, clearly visible and readable signage, adequate lighting, and disability-friendly architectural features. Special attention is given to ensuring that infrastructure supports students with visual, hearing, and mobility impairments.

### 2. Accessibility Across Campus

Government College Sanjauli strives to make all academic and administrative buildings accessible to persons with disabilities. Facilities such as wheelchair ramps, accessible parking spaces, and wide, obstruction-free pathways are provided wherever feasible. In cases where older buildings cannot be fully retrofitted due to structural limitations, specially-abled students are offered appropriate assistance by faculty members, non-teaching staff, and fellow students to ensure unhindered access to academic activities.

### 3. Assistive Devices and Learning Support

The college facilitates access to assistive devices such as hearing aids, magnifiers, and other aids required by students with disabilities. Additionally, the institution works toward ensuring that digital and electronic learning resources are accessible. This includes captioning of audiovisual content, availability of text-to-speech software, and accessible reading materials to support diverse learning needs.

#### 4. Scribes and Reader Assistance

In accordance with government norms, the college assists eligible students in arranging scribes for examinations upon request. The process is carried out transparently and in compliance with prescribed guidelines. Furthermore, peer readers are encouraged and facilitated, particularly within hostels, to assist students who require support in reading academic material.

#### 5. Awareness and Sensitization Programs

To promote a culture of inclusivity and respect, the college regularly organizes awareness and sensitization programs for students, faculty, and staff. These initiatives aim to educate the campus community about the rights of persons with disabilities, the importance of accessibility, and the collective responsibility of creating a supportive and empathetic learning environment.

#### 6. Monitoring, Evaluation, and Reporting

The college undertakes periodic monitoring of campus facilities to assess accessibility and identify potential barriers. Regular inspections are conducted, and necessary corrective measures are implemented promptly. Progress toward achieving a fully barrier-free environment is documented and reported to the concerned authorities to ensure accountability and continuous improvement.
