

D. Suggestions to Improve Score

The Cluster committee comments Government college, Sanjauli for its commitment towards its initiatives Take to foster academic excellence, robust student services, and their outreach. Notable efforts include teaching learning practices. Suggestions for making the ranking more transparent, relevant and accurate:

- 1) Incorporate structured feedback mechanism for all the stakeholders.
- 2) Vision statement should be translated into concrete steps and be documented in the form of a vision document and IDP.
- 3) Annual Review meeting should be more planned and structured to enhance academic and curricular/cocurricular achievements.
- 4) Infrastructure of library should be improved to have better access to library resources
- 5) More efforts needs to be put ind to encourage students of the feeding schools to join the college
