## **INTERCLASS QUIZ COMPETITION THEME-ZOONOTIC DISEASES**

**DATE-3<sup>RD</sup> OCTOBER, 2025**

**ORGANIZED BY – DEPARTMENT OF  
ZOOLOGY**

**GOVERNMENT COLLEGE, SANJAULI,  
SHIMLA-06**

## REPORT ON INTERCLASS COMPETITION ON ZOONOTIC DISEASES

The **Zoology Department** of **Government College, Sanjauli** organized an insightful and educational interclass competition on the theme of **zoonotic diseases**. The event was designed to spread awareness about diseases that are transmitted from animals to humans, with a particular focus on those prevalent in

the region of Himachal Pradesh.

### EVENT HIGHLIGHTS

#### **Inauguration**

The event began with the lighting of the ceremonial lamp by the College Principal, **Prof. Bharti Bhagra**, marking the formal inauguration of the program. The **Dean of Sciences** and **Head of the Zoology Department**, **Dr. Minakshi Sharma**, welcomed all dignitaries, participants, and students to the function.

#### **Overview of Zoonotic Diseases**

**Dr. Shweta Sharma, Assistant Professor of Zoology**, gave an overview of zoonotic diseases and their relevance in today's world, effectively setting the context for the competition. The overview provided

valuable insights into the impact of these diseases on human health and the importance of awareness and prevention.

## PowerPoint Presentation Competition

More than **25 students** participated in the **PowerPoint presentation competition**, where they highlighted important zoonotic diseases such as Rabies and Scrub Typhus. The presentations emphasized symptoms, transmission, prevention, and the importance of public awareness in controlling these infections.

## Quiz Competition

A quiz competition followed the presentations, in which **eight teams** from various B.Sc. classes competed with enthusiasm and knowledge. The quiz tested their understanding of medical zoology and related topics.

## RESULTS

### Quiz Competition
